OUR MEMBERS FIND STABILITY IN OUR STRENGTH

For over 40 years, Lawyers' Mutual Insurance Company has been the only California based company to continuously provide lawyers throughout the state with professional liability coverage.

We have provided coverage to over 40,000 attorneys, with an emphasis on solo attorneys and small firms. We also currently provide coverage to more than 50 local and county Bar Associations and Lawyer Referral Services throughout the state. Members who remain with us over time earn Longevity Credits under the Standard Program coverage. We offer specialty rates with competitive premiums, including Appellate, Arbitration/Mediation, Association Referral Service, Criminal Law, Immigration and Civil Defense. We also offer a separate program designed to provide affordable coverage (Strong Start Program) to solo practitioners who have been licensed for three years or less.

Our members also receive a variety of benefits including complimentary access to our CLE library, a \$100,000 limit Cyber endorsement, a lawyer-to-lawyer hotline, and free access to the legal research tool Fastcase. Additionally, for the past 24 consecutive years we have been able to declare an annual dividend to our eligible members.
