**Andrew Chick**  
Chief Executive Officer & President

As we embark on 2025, we extend our heartfelt gratitude to our ever-expanding base of both new and returning members, who remain the cornerstone of our mission and the driving force behind our company's extraordinary success.

In the coming year, we firmly believe that two key factors will contribute most to our continued success: our unwavering strength and our reckless pursuit of innovation.

Firstly, we stand tall in our legal community, proud to service our 11,000 active members. Our engaging relationships with bar associations, strategic vendor partnerships within our member benefits program, and the resolute dedication of our team at Lawyers' Mutual provide us with a solid foundation of strength.

We are dedicated to sourcing innovative tools, contemporary CLE content via LMIC and strategic partnerships that align seamlessly with our vision and values, ensuring that we provide our members with the best possible customer service experience. To that end we hope you enjoy the exciting new user interfaces on both our refreshed website and LMIC+ system.

Finally, here's to 2025! We're committed to making our member community stronger and staying true to what we believe in. Our members are our most valuable asset, and together that makes our strength your insurance.

Sincerely,

**Andrew Chick**  
Chief Executive Officer & President
